The School Sharpener program provides a safe place for youth to come and relax with other youth and with adults, receive help with homework and tutoring; and be able to do research using the internet, engage in recreation, character-building, and fun enrichment activities. Students will also learn how to make healthy snacks for themselves.

School Sharpener has been designed to allow students to accomplish the following goals:

- ◆ Sharpen academic performance in basic skills
- ◆ Help close the Achievement Gap
- ◆ Enjoy enrichment activities
- ◆ Foster positive social skills

In working to achieve these goals, School Sharpener will be relying on parental and community support. We strongly encourage parents/guardian participation. Volunteers will be needed to plan and chaperone events, to provide enrichment, and to offer other assistance.

Please fill out the following completely and accurately:

Student Name: \_\_\_\_\_
